Funds received through registrations help us build RiverFest and also the **Sheyenne River Water Trail**. We are in the process of developing a water trail from below Bald Hill Dam to the Sheyenne National Grasslands east of Lisbon. The process includes mapping launch points, portage areas and landmarks along the river. We are asking RiverFest participants to **document their trips** (we hope you take more than one!) with photos and comments on our Facebook pages– Sheyenne River Valley Scenic Byway and/or Fort Ransom State Park.
