

# Valley City, ND— Farming, Railroads, Scandinavians!

Hi-Line Bridge

Rosebud Visitor Center

Medicine Wheel Park

**This one day tour of the City of Bridges and the Sheyenne River Valley** is a unique snapshot of railroad history, agriculture pioneering and modern day farming, Native American ingenuity, cultural development by immigrants and natural beauty.

**The Rosebud Visitor Center** on Main Street in Valley City is the hub for information and railroad history. Inside you will find an 1881 Superintendent's railcar with the original furnishings— one of a kind! The North Dakota Agriculture Hall of Fame honors the pioneers that made agriculture the mainstay of North Dakota.

**Take the historic bridge tour** to learn more railroad history and see many unique types of bridges including longest combination single rail trestle bridge in North America and a Marsh arch design.

**Medicine Wheel Park** is named for the replica of a Native American solar calendar. Learn about Native American burial mounds found in the park. Take a tour of the solar system on a walk of the planets starting with the Sun in the middle of the wheel and all the way to Pluto.

**Drive the Sheyenne River Valley Scenic Byway** stopping at the 28 award winning interpretive panels to read about the valley's history, geology, and Scandinavian culture.
